Please find below and/or attached an Office communication concerning this application or proceeding.

Advisory Action	Application No. 10/016,903	Applicant(s) Huglin
	Examiner Gollamudi Kishore	Art Unit 1615
		
-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --		
<p>THE REPLY FILED <u>Jun 24, 2003</u> FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE. Therefore, further action by the applicant is required to avoid the abandonment of this application. A proper reply to a final rejection under 37 CFR 1.113 may only be either: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114.</p>		
THE PERIOD FOR REPLY [check only a) or b)]		
<p>a) <input checked="" type="checkbox"/> The period for reply expires <u>four</u> months from the mailing date of the final rejection.</p> <p>b) <input type="checkbox"/> The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection. ONLY CHECK THIS BOX WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).</p>		
<p>Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>		
<p>1. <input type="checkbox"/> A Notice of Appeal was filed on _____ . Appellant's Brief must be filed within the period set forth in 37 CFR 1.192(a), or any extension thereof (37 CFR 1.191(d)), to avoid dismissal of the appeal.</p> <p>2. <input type="checkbox"/> The proposed amendment(s) will not be entered because:</p> <ul style="list-style-type: none"> (a) <input type="checkbox"/> they raise new issues that would require further consideration and/or search (see NOTE below); (b) <input type="checkbox"/> they raise the issue of new matter (see NOTE below); (c) <input type="checkbox"/> they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or (d) <input type="checkbox"/> they present additional claims without canceling a corresponding number of finally rejected claims. 		
<p>NOTE: _____</p>		
<p>3. <input checked="" type="checkbox"/> Applicant's reply has overcome the following rejection(s): <u>The 112, second para rejection based on 'lipophilic cosmetic agent' in step c.</u> </p>		
<p>4. <input type="checkbox"/> Newly proposed or amended claim(s) _____ would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).</p>		
<p>5. <input checked="" type="checkbox"/> The a) <input type="checkbox"/> affidavit, b) <input type="checkbox"/> exhibit, or c) <input checked="" type="checkbox"/> request for reconsideration has been considered but does NOT place the application in condition for allowance because: <u>As already pointed out instant step beta requires that the addition of water phase is conducted without high shear and the reference teaches the use of high shear AFTER the addition of the water phase. Therefore, the reference meets the requirement of instant claim.</u> </p>		
<p>6. <input type="checkbox"/> The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.</p>		
<p>7. <input checked="" type="checkbox"/> For purposes of Appeal, the proposed amendment(s) a) <input type="checkbox"/> will not be entered or b) <input checked="" type="checkbox"/> will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.</p> <p>The status of the claim(s) is (or will be) as follows:</p>		
<p>Claim(s) allowed: <u>none</u></p>		
<p>Claim(s) objected to: <u>none</u></p>		
<p>Claim(s) rejected: <u>32, 33, and 35-43</u></p>		
<p>Claim(s) withdrawn from consideration:</p>		
<p>8. <input type="checkbox"/> The proposed drawing correction filed on _____ is a) <input type="checkbox"/> approved or b) <input type="checkbox"/> disapproved by the Examiner.</p>		
<p>9. <input type="checkbox"/> Note the attached Information Disclosure Statement(s) (PTO-1449) Paper No(s). _____ . <i>S. Kishore</i></p>		
<p>10. <input type="checkbox"/> Other:</p>
